### Storage & Safety Handling Instructions

#### Handling & Storage:

Store in a cool, dry, well-ventilated area, away from heat and ignition sources. Keep away from incompatibles. Storage area should be clearly identified, clear of obstruction and accessible only to trained and authorised personnel. Inspect periodically for damage or leaks. No smoking in the area.

#### Safety Handling Procedures:

Flammable Gas. Wear protective equipment during handling. Use in a well ventilated area. Do not breathe vapours or spray mist. Avoid contact with skin and eyes. Keep away from heat and sources of ignition. Use only non-sparking tools with this material. Keep away from acids and other incompatibles. Do not puncture or incinerate containers. Ground all equipment during handling.
